

The January newsletter will be with you soon but here is a reminder.

Don't forget that Russ will be on Tracks Of My Years with Ken Bruce on BBC Radio 2 all next week, starting Monday 11th January 2016.

He will be choosing 10 songs, two per day, which have had significance in his life and chatting to Ken about them between the songs.

Ken's programme is on weekday mornings 9.30 until 12.00 GMT. Tracks Of My Years is on at about 11.40.

You can find Ken's programme here <http://www.bbc.co.uk/programmes/b006wr34> and you will also find instructions for downloading Tracks Of My Years to a phone or tablet in that link. You will need the BBC iPlayer Radio app in order to do that.
