Hope you have a great day on your birthday Russ. It's so good that Carole and I (and many others) are still loving hearing all your news and music after so many years. Will always remember sleeping in a bus shelter overnight with Carole when we were 17 years old as we couldn't afford a B&B as well as the show tickets (and would still do the same today!). Many Happy Returns! Sandra Griffin.

Well, **Tonight**, I'm **Searching** for the best way to say Happy Birthday, Russ so **When Tomorrow Comes**, I can send off this note. So **Here I Am** in this **Crazy World, Just a Dream Away** from finding the right words. **What Does It Take** to say thank you for the **Wonderful World** of your music - the soundtrack of my adult life? **You Can Count On Me....I Will Be There**, always a fan, **Day to Day**, along with others **Just Like Me**. Maybe you'll wonder "**Are You Cuckoo?**" for writing a note like this, but I'm hoping it will bring a smile to your face! Thank you, love you, God bless you....Happy Birthday! Hi Russ, HAPPY BIRTHDAY! Although we are going through strange times, I hope you are still able to celebrate with your family and friends. Thanks for being there over the past seven months with your messages on Facebook and Voices; the CDs and your book definitely came at the right time. Love your music Russ (I have my fingers tightly crossed for the tour next year). Wishing you good health and happiness. Have a fantastic day! Love Michele xxxx
