Festive Christmas Quiz

There are 47 artists featured in the grid below that have recorded songs written or co-written by Russ Ballard. The names of these artists can be found horizontally, vertically, upside down, left to right or right to left. **BUT there's a twist.** The list of 47 artists include 6 who **haven't** (to my knowledge) recorded songs written or co-written by Russ. So, once you've found all the names, can you also name the 6 artists that 'shouldn't be there'.
